**Get your buddy back**

How many times have you heard your diver friends say it's been a while since their last dive? Let your buddies know how easy they can get back in the water with the all-new PADI ReActivate program! ReActivate is designed to give divers the confidence to get back in the water by refreshing fundamental scuba skills and dive principles.

ReActivated divers will receive a PADI replacement certification card and you get your dive buddy back! For more information contact **{insert name of dive center or resort here}** at **{enter website or phone number here}** today!
